Local rumor has it that George Washington once passed down the main road of this Washington County town, and two centuries later, Bentleyville has blossomed into a borough with unique character and beauty—a place I am proud to have in Pennsylvania's 9th Congressional District.

The borough of Bentleyville has benefitted greatly from its location in a strong coal mining region, and as such I am proud to highlight the borough's contribution to the rich history and heritage associated with coal mining. Over the past 200 years, Bentleyville has produced many generations of exceptional citizens, all adding their unique spirit, character, and successes to the Commonwealth of Pennsylvania.

It is thus with great pride that I represent the remarkable citizens of past and present of the Bentleyville Borough and congratulate them on this significant milestone.

HONORING THE CAREER OF ROGER E. MILLER

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 7, 2016

Mr. HIGGINS. Mr. Speaker, I rise today to honor the career and legacy of service of Mr. Roger E. Miller, who is celebrating his retirement from the post as Deputy Assistant Secretary for Healthcare Programs. After 26 years of tirelessly serving the United States Department of Housing and Urban Development, he leaves a legacy of incomparable dedication to communities across the country.

Roger Miller began his career as HUD's first staff member with a background in healthcare, holding a Master of Hospital Administration degree from the University of Minnesota. Prior to his role at HUD, Miller was Senior Vice President of York Hospital, a large teaching hospital where patient care costs were among the lowest in the nation.

Throughout his career, Roger E. Miller has maintained his devotion to healthcare through assisting in the expansion of Millard Fillmore Suburban Hospital, and the construction of multiple healthcare facilities around Western New York, such as the Gates Vascular Institute, HighPointe on Michigan and the new Oishei Children's Hospital.

Roger Miller has been an integral part of the HUD Office of Healthcare Programs which administers the Section 232 Residential Care Facilities Program and the Section 242 Hospitals Program, together comprising a \$31 billion FHA portfolio of insured mortgages. Miller has led the OHP to improve its abilities to serve more communities across the nation while maintaining very low claim rates in both programs. In recent years, he has spearheaded a vigorous effort to implement Office-wide Lean Processing quality improvements and process reengineering, enabling OHP to better respond to emergent industry needs. Other notable career and personal achievements by Roger Miller include the launch of a large assisted living facility, a system of community health centers, a preferred provider health insurance company, and becoming a Fellow in the American College of Healthcare Executives. Additionally, Roger has chaired state hospital association

committees and served as an adjunct faculty member at York College.

Mr. Speaker, thank you for allowing me a few moments to honor the career of Roger E. Miller. I ask that my colleagues join me in expressing our congratulations on an accomplished career and to commend his dedication to his profession and improving the health of our communities.

RECOGNIZING CAN DO UPON THE OCCASION OF ITS 60TH ANNIVERSARY

HON. LOU BARLETTA

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 7, 2016

Mr. BARLETTA. Mr. Speaker, it is my honor to recognize the Community Area New Development Organization (CAN DO) upon the occasion of its 60th Anniversary. CAN DO is a private, non-profit, industrial and economic development corporation operating in Northeastern Pennsylvania. CAN DO has been doing great work in my hometown of Hazleton, and in fact my office back home is in the CAN DO building at 1 South Church Street. With a mission of improving the quality of life in the Greater Hazleton area through the creation and retention of employment opportunities, CAN DO's presence in Northeastern Pennsylvania has provided my constituents with the resources they need to secure meaningful employment and engagement in their communities.

In 1956, a small group of merchants and professional men believed that they could turn the tide on Hazleton's post-coal mining economic troubles. It was this spirit that fueled Dr. Edgar L. Dessen, the Greater Hazleton Chamber of Commerce, and a group of local civic and business leaders to create a community economic development organization, known as CAN DO. The organization's first fundraising initiative encouraged residents to donate a "dime-a-week," which they hoped would raise enough money to invest in new industries across the city. Growing up, I remember hearing stories of red lunch pails displayed around town to promote their fundraising effort, as well as the "Miles of Dimes" event, which saw men, women, and children place their dimes onto a strip of tape on Broad Street in downtown Hazleton. After this successful fundraiser and starting with the purchase of one industrial park, CAN DO now operates one corporate center and three industrial parks in Northeastern Pennsylvania, including Humboldt Industrial Park, which is one of the largest parks in Pennsylvania and an employer for over 10,000 constituents in my district. As mayor, I saw firsthand how CAN DO continued to grow throughout the region. They now offer a wide range of services to the community, such as infrastructure development, financial assistance, and resources for entrepreneurs.

CAN DO's commitment to the community in which they operate is evident through their receipt of numerous awards throughout the years. In 2006, CAN DO won a Best of Class Award for its 50th Anniversary video and commemorative book, and an Excellence Award for the marketing department's print advertisement placed in *Attaché* magazine. Also in

2006, CAN DO won the U.S. Green Building Council Leadership in Energy and Environmental Design (LEED) Award for a property in the CAN DO Corporate Center. In 2008, CAN DO was named Large Agency of the Year by the Pennsylvania Economic Development Association. These various accolades exemplify the superior service and community advancement provided by CAN DO, and I am confident that their continued engagement will be recognized for years to come.

Mr. Speaker, it is with gratitude and admiration that I honor the Community Area New Development Organization (CAN DO) upon the occasion of its 60th Anniversary. Time and again, CAN DO has exemplified the bond between private enterprise and community service through targeted initiatives and a commitment to excellence in Northeastern Pennsylvania. I wish to congratulate CAN DO on 60 years of meaningful community engagement, and look forward to witnessing the continued service provided by such a selfless and strategic organization.
